MARYVILLE BIDDER GETS WATER WORK

ESTIMATED JOB — $35,492 FOR ENTIRE SUCCESSFUL

CONTRACT IS DRAWN UP

Randall Construction Company Has 75 Days in Which to Build Reservoirs and Other Items

The Randall Construction Company of this city was awarded the contract for the concrete and excavation work on the city water plant at the meeting of the mayor and city commissioners last night. The contract price for the entire job is $35,492. The other bidder, Joseph E. Nelson & Son Construction Company of Chicago, wanted $38,301 for the same work, making the difference between the two bids $2,909.

The contract for the city was drawn up by A. F. Harvey, city attorney, and E. E. Harper, consulting engineer, under the direction of the mayor and city commissioners.

Seventy-five working days are given the successful bidder to complete their work. The work includes the building of a new reservoir, rebuilding Reservoir Number 3, furnishing material and constructing a concrete curb and basin on Reservoir Number 2, furnishing material and constructing curb and relining Reservoir Number 1, constructing a coagulating plant, and constructing a 360,000-gallon storage reservoir uptown for fire emergencies. The itemized cost of these six pieces of work was given in yesterday's daily.

Weather Must Be Good.

It is important to note that seventy-five working days are given to do the work. This means that the weather must be fit so that either excavating or concrete work may be done, or the day is not counted. Much depends upon favorable weather as to when the work is finished. Another thing of vital consideration is the time that it will take to get materials for construction transported here. Should rail strikes and poor freight service interfere the entire proposition will be held up just that much longer. A fine of $25 a day is imposed on the contractor for every day over seventy-five working days that he is on the job.

Allowing for the contingencies of bad weather and poor rail service, it is probable that the improved plant will be finished by the first of the year.

The contract calls for inspection of all materials used for construction by the mayor and city commissioners. It is in their power to accept or reject all materials, according to whether in their opinion such material meets up with the specifications named in the contract.

To Survey Site Next Week.

E. E. Harper, consulting engineer, will begin his work of surveying and staking out the site for the new reservoirs next week. Within five days from the signing of the contract and ten days from the letting of the contract, the construction company must begin work.

As soon as the necessary papers are signed and the new pumps can be got here, they will be installed. The low-surface pump will be the first installed. As soon as it is set up and while awaiting the new high lift pump (it is the old one that is causing the mayor so much trouble now), a temporary arrangement will be made whereby the old low surface pump will be fitted up so that it can be used as a pump to force water uptown. In that way the emergency brought about by the failure of the present highlift pump to function will be removed.

Allowing for necessary delays the first pump should be installed by the middle of October. The ten-day shipment which the contract calls for on the new lowsurface pump means that the factory agrees to ship the pump within ten days after the signing of the contract. The contract will not be formally signed for a few days yet, allowing time for it to be sent to the factory for inspection there and returned for final signing.

The Maryville Electric & Power Company has been contracted with to furnish electric power to drive the new pumps, insuring constant and efficient service at all times.

Office over Alderman-Yehle's Store.

PRESIDENT TO PASS THROUGH NODAWAY A LITTLE EARLIER

His Train Will Change Engines at Conception Junction About Four O'Clock Tomorrow Afternoon

President Wilson's dash through Nodaway county tomorrow afternoon will be a little earlier than had been estimated. He will arrive in St. Joseph from Kansas City at 2:15 o'clock instead of between 3 and 4 o'clock. Efforts are being made to have him speak there. If he does and leaves there about 3 o'clock, he ought to be in Nodaway county from a little after 4 o'clock on. If he fails to speak at St. Joseph the special train will be in the county about 3:30 o'clock.

The president's train will be preceded about thirty minutes by the special train of W. L. Park, general manager of the Chicago Great Western railway.

Orders have been received at Conception Junction to have a new engine ready for the president. A new train crew will be ready, too, if needed. Engineer Slayton, who will take the train out of Kansas City, probably will be succeeded at Conception Junction by Engineer Al Ray. The change of engines and crews will take about five minutes, according to the station agent at Conception Junction, who expects the train about 4 o'clock. It will leave Kansas City promptly at noon.

The pasage through Nodaway county will take about thirty-five or forty minutes, the agent estimates.

Judge W. K. James of St. Joseph is in St. Louis today in an attempt to persuade the president to speak in St. Joseph tomorrow afternoon. The plan is to take the president from the Union Station to the Auditorium in an automobile, have him make a 30-minute speech, and then put him back on his train at the Third street station. It is believed that the time lost could be made up in the run to Des Moines, where the president is to speak tomorrow night.

The president's train is made up of seven coaches, the last of which is the Mayflower, the president's private car.

H. S. FOOTBALL PLAYERS HERE START PRACTICE FOR TEAM

Seven Veterans Return to Make a Nucleus for This Year's Squad—An End Needed.

Eighteen high school candidates donned their football togs the first of the week and reported to Coach Zeigler for practice. Among these were seven letter men from last year's team.

Four practices have been held so far. The older boys are working the kinks out of themselves and getting in shape. Other than that they give promise of rounding into their championship form of last year there is little real figuring on what they may show. The seven veterans who will make the nucleus of this year's squad are: Floyd Forman, Eugene DeArmond, Donald Williams, Paul Miller, Richard Kirby, Bennett French and Jesse Boatman.

Among the new men, Shane King, Leonard Gray, Sam Clark and McPherson show promise of making the team.

DeArmond is working at quarter, Forman and French are playing full and end, and Williams and Miller are filling the half back positions in the preliminary lineup. Coach Zeigler needs another end badly. The new men are being counted on to take the line positions, with one or two of the old men to help them out.

Although the schedule is not completed yet, eight games are planned, four at home. The schedule will be announced later.

FIRST METHODISTS TO HAVE AN EVERY-MEMBER CANVASS

Finances Will Be Raised Next Sunday For the Coming Church Year.

Next Sunday afternoon an every-member canvass of the members of the First Methodist Church will be made by the church officials and canvassing committees. The purpose of the canvass is to raise the finances for the new church year, both local and benevolent.

Dr. G. S. Cox states that he wants to have everything cleaned up so that a favorable report can be made by Dr. W. F. Burris at the fourth quarterly conference Wednesday, September 10.

Mr and Mrs. Gus DeLana of El Reno, Okla., who have been spending a few days with old friends here, will leave in the morning.

NON-RESIDENTS AID H. S. RECORD HERE

SIXTY-ONE OF THEM IN FRESHMAN CLASS LIST

LARGEST NUMBER EVER

312 Students Signed up at End of First Week—Most Classes Filled to Capacity

The total enrollment for the Maryville high school at the end of the first week, as announced by Superintendent J. M. McDonald today, is 312. This is thirty-six more than had enrolled for high school work at the end of the first week of school last year.

The number of students in the freshman class totals 114, the largest class in the history of the school. The first year class is so large that five subdivisions of the algebra class had to be made and four subdivisions of the English classes. Almost every class in the high school is up to the maximum capacity of thirty, and only one class in all the departments has less than twenty members, that being a second-year Latin class.

There are thirty-two girls, mostly freshmen and sophomores, taking the Smith-Hughes vocational course. The bookkeeping class is filled up. There is still room for a few more students in the type-writing department.

One of the most significant facts brought out in the week's registration was that sixty-one freshmen are non-residents of Maryville, coming from the rural schools of the county or elsewhere. This is easily the highett non-resident enrollment ever made in the local high school. They have been attracted by the many and varied courses offered at the high school this year, particularly by the new Smith-Hughes and vocational departments of study.

Tomorrow Superintendent McDonald makes his first report to County Superintendent Bert Cooper, stating the present enrollment and listing the absentees. According to a census enumeration, there are 1,500 children between the ages of 6 and 20 in this school district. Since the compulsory school attendance law includes in its provisions only children from the ages of 7 to 16, there are probably about 1,150 to 1,200 children who are required by law to attend school.

County Superintendent Bert Cooper will turn over a list of those who are known to be violating the law to Ed Wallace, attendance officer, Saturday. Superintendent McDonald said today that he expected to see some new faces at the schoolhouse when the bell rings next Monday morning.

B. J. TO HAVE NEW INDUSTRY; PLAN MADE FOR SEED HOUSE

S. S. Webb, Well Known Farmer, Winner of Many Prizes, Establishes Himself in Town

The first step to establish a good seed business in Burlington Junction was made by S. S. Webb, Tuesday, when he bought the Chas. W. Woods property one block south of Main street, according to the Burlington Junction Post.

This property is well located for the proposed enterprise. It has a large house, which Mr. Webb will use for a home. Adjoining the house is a good corner lot, and on this lot Mr. Webb expects to build a modern structure to accommodate his business.

According to present plans, Mr. Webb will construct a building 25 feet wide and about 90 feet long, and will fit the interior especially for the handling of all kinds of seeds.

Mr. Webb has been dealing in seeds at his farm southeast of town for a number of years, devoting most of his attention to breeding a good seed corn. His products have taken prizes in many shows and every year the demand for his seed far exceeds the supply. Friends have been urging him for some time to engage in the seed business and his success in this line of work is assured.

Mr. Webb will remain on the farm until about the first of the year when he expects to move here and begin operations at once for establishing a permanent business.

Mrs. Ellen McCaffery of Maryville is the guest of her daughter, Mrs. Thomas O'Brien at Conception Junction.

FRANK M'DOUGAL ARRIVES AT CAMP MERRITT; HOME SOON

Maryville Boy, Long Prisoner of the Germans, to Parade With First Division, Led by Pershing

Word has been received by Mr. and Mrs. R. L. McDougal of Maryville that their son, Frank, arrived at Camp Merritt, N. J., yesterday. Frank is a member of the First Division and will parade with that division in New York City and Washington soon.

The First Division, which is a regular army division, has one of the most enviable records of all the American divisions that participated in the great war. Monster celebrations are being prepared to be held in honor of the First when it passes through New York and Washington. General Pershing will head the parade in Washington.

Frank is expected home within three weeks. He returns from war, having lived the life of a prisoner in Germany for over a year.

GOOD SUPPORT SHOWN HERE FOR PROPOSED TOURNAMENT

Nearly a Hundred Baseball Tickets Pledged in a Day—St. Joseph Team Here Sunday

The ticket sale has started for the proposed baseball tournament in Maryville a week from Sunday or the Sunday after that, and Manager Homer Black is well pleased with the prospects of good support. With just a little effort yesterday, the Maryville players got nearly a hundred promises to attend. If 250 tickets are sold here, Manager Black says he wil go ahead with his arrangements, as the attendance of fans from other towns in the county, always a source of support, is expected to make up the difference.

Four teams will play, and a prize will be hung up for the winner. A dollar ticket will admit to the three games.

The Stuppy Florals of St. Joseph, who will play the Comets here at 3:30 o'clock next Sunday afternoon, have one of the best outfits in St. Joseph. They played the Comets here several weeks ago, and the Maryville team won by a close score.

KANSAS CITY VICTORY TOUR MAY GO THROUGH MARYVILLE

Tentative Schedule of Motor Car Exhibit, Starting September 29, Includes Albany and Tarkio

Maryville, it seems highly probable now, will be on the route of the Victory tour of the Kansas City Motor Car Dealers' Association, which will leave Kansas City Monday morning, September 29, for a 700-mile swing through Northwest Missouri and Northeast Kansas. Both Albany and Tarkio are named on the schedule.

Sixty-five 1920 models of trucks and passenger cars are expected to make the six-day trade trip, the first since the war started. That many entries have been promised by the motor dealers which will will make it the biggest trade boosting trip ever made out of Kansas City.

The motor train will be made up of two sections, passenger cars and trucks. The trucks will be in the second division. This section is expected to be a feature this year, as twenty-five commercial vehicles have entered the tour already. The motor dealers will take two bands, one to each section.

The good roads propaganda will be in charge of the Greater Kansas City Good Roads Association, which will arrange a corps of speakers for programs at each stop.

A proposed schedule of towns has been made, but may be changed, by E. E. Peake, secretary of the association, and the pathfinding party, which will go over the route a week before the tour. These towns are on the present schedule:

Excelsior Springs, Richmond, Carrollton, Brookfield, Chillicothe, Gallatin, Bethany, Albany, Tarkio, St. Joseph, Hiawatha, Horton and Atchison or Topeka.

To Assist Worth Prosecutor.

Charles F. McCaffrey, prosecuting attorney of Nodaway County, will go to Grant City tomorrow to assist James Anderson, prosecuting attorney fo Worth county, in the preliminary hearing in the case of the state against Henry Freemyer of Parnell, charged with the theft of a motor car from James L. Pierce of near Worth.

Miss Alice Ford, who has been visiting her mother, Mrs. J. S. Ford, and sister, Miss Gladys and Merle Ford, left Wednesday morning for Rapid City, S. Dak.

SEES HIS OWN CAR PUT UP AT A SALE

LON LEECH OF NEAR PICKERING LOCATES STOLEN CAR

INSURANCE CO. GETS IT

Loss Had Been Paid For—Prosecuting Attorney Issues Warning to Garage Owners

There is coincidence after coincidence in the recovery of stolen motor cars in Nodaway county. The other day Deputy Sheriff Leo Atherton located one because it was wearing his own license tag around, and yesterday Lon Leech of near Pickering found his lost Ford touring car offered at a public sale.

Last October Mr. Leech's car, a 1917 model, was stolen. Search for it was in vain, and the Mutual Automobile Insurance Company of Rock Port, Atchison county, finally paid his loss, as arranged for in a policy.

Yesterday Earl F. Addy had a public sale of his goods at his farm four and a half miles northwest of Parnell. Two automobiles were advertised for sale.

Mr. Leech attended the sale. Lo and behold! one of the cars was his. He identified it by some painted-over initials on the side of the door and by some holes he had drilled in the steering column. Mr. Addy, who proved that he had bought it from Frank Geisken of Parnell, who in turn had bought it from Charles E. Gladman of Worth county, decided not to turn the car over to Mr. Leech.

Later in the day Mr. Addy called in Prosecuting Attorney Charles F. McCaffrey, who went to Parnell. The car was turned over to the prosecutor, who hired a driver to bring it to Maryville.

Today the Rock Port insurance company, using Mr. McCaffrey as its attorney, filed suit in replevin with the Nodaway circuit court. A bond of $600 was put up by the company, which took possession of the car.

In connection with this case, Mr. McCaffrey says: "Garages have got to keep records of all cars stored or repaired. If they don't, there will be prosecution. I have sent each garage owner a copy of the new law, effective August 7, and expect compliance with its provisions. If they don't, I shall certainly go after them."

The law requires that every garage, auto salesroom or repair shop take the name of the owner, the make and kind of car, the motor number and the state license number whenever a car is put in their care. If the motor number has been tampered with, they must notify the mayor or constable or some official and hold the car twenty-four hours or until the officials have had an opportuntiy to investigate.

STATE DEPARTMENT AGENT EXECUTED BY BOLSHEVIKI

Washington Hears That Man, Name Unknown There, Lost His Life in Petrograd

Washington, Sept. 5.—An agent of the American state department has been executed by Bolsheviki in Petrograd, the state department was advised today. His name is unknown.

John M. Evans will leave tomororw for Columbus, Ohio, to attend the Annual convention of the Grand Army of the Republic which will be held Sept. 7 to 12 inclusive. Mr. Evans will go from Columbus to Wellsburg, West Virginia, where he will visit his daughter, Mrs. Charles H. White.

SECRETARY OF COMMERCE TO RESIGN AT END OF OCTOBER

Mr. Redfield Denies Reports of Friction and Says His Private Business Needs Him

Washington, Sept. 5.—Secretary of Commerce Redfield will resign the latter part of October, he admitted today. He emphatically stated he was prompted only by the necessity to resume his private business. He stated that there was no friction.

AUNT BETSEY'S FORMER NURSE FREE TO MARRY, AND DOES IT

Mrs. Honor B. Hawkins Weds Man From Illinois—Both Are Well Along in Years

Aunt Betsey Robinson died here last Saturday. Reports of her death said that she had been nursed for more than five months by Mrs. John Hawkins of 1315 East Second street.

Yesterday Mrs. Honor B. Hawkins married Christian Bartels of Ottawa, La Salle county, Illinois. Justice W. L. Johnson performed the ceremony. The license was issued from the county recorder's office. It was the same Mrs. Hawkins, according to Judge Johnson.

This is Mrs. Bartels' third marriage, says the judge. She studied nursing at Des Moines for a while after her second husband's death, and has taken care of two or three special patients in Maryville. Both the bride and groom are well along in years. They will live on the groom's farm near Ottawa, and Mrs. Bartels will turn her attention to chicken-raising.

TWO MORE SUITS ON NOTES FILED FOR CIRCUIT COURT

Iowa Bank Seeks Remainder of Judgment Once Won—A. B. Davis Has Three Counts

Ed M. Walker, Mrs. Ed M. Walker, formely Miss Olive M. Beyers, and Miss Sophina R. Beyers are named as defendants in a suit filed yesterday in the Nodaway county circuit courat by the Merchants Exchange Bank of Hamburg, Iowa. The suit is for $1,326.19, said to be still due on a judgment given on a note by an Iowa court. The defendants paid $750 on the judgment and failed to give the rest, the bank alleges. The defendants are now said to be in Council Bluffs, Iowa, and the summons goes to Pottawattomie county, Iowa. Kimball, Peterson & Smith are attorneys fo. the plaintiff.

Amos B. Davis today filed suit for notes against Roy J. V. Weatherman and Fern Weatherman on three counts, two of $500 each and another of $219.20. Wright & Ford are attorneys for the plaintiff.

TWO PATROLMEN, 3 BANDITS WOUNDED IN K. C. GUN FIGHT

One of Each May Die—Outlaws Supposed to be Bank Robbers—Much Loot Recovered

Kansas City, Sct. 5.—Two patrolmen were shot, one probably fatally, and three bandits were wounded, one whom may die, in a gun battle this morning. The police believe the captured bandits are those who robbed the Baileyville bank, as bonds identified belonging to that institution were found among the thriyt-seven thousand dollars worth of bonds discovered at the bandits' rendezvous.

A total of $44,250 in Liberty bonds has been recovered from the rendezvous of bandits here. Police believe that this is part of the loot, obtained in hold up of Newton, Kansas, and Harrington, Kansas banks last month.

H. B. Cushman attended the fair at Bethany yesterday. He reports a large srowd in attendance, some estimating it at 35,000.

GERMANS DEFIANT IN AUSTRIAN CASE

REPRESENTATION IN REICHSTAG HELD TO BE ALL RIGHT

OBJECT TO OCCUPATION

Hun Government Would Regard It "as a Deplorable Act of Violence," It Is Said

London, Sept. 5.—The German government has replied to the amendment note of the peace conference protesting against the clause of the German constitution providing for Austrian representation in the Reichstag by saying that "Germany is able to maintain her attitude on this question," said a News Agency dispatch from Berlin today. The German government points out, however, that there is no necessity to amend the constitution. The German answer says, furthermore, "if the Allies extend their occupation of Germany, this step will be regarded as a deplorable act of violence."

The supreme council at Paris sent a note to the German government Tuesday pointing out in forcible terms that the article of the new German constitution, which went into effect August 17, providing for Austrian representation in the German Reichstag, was a violation of the peace treaty pledging absolute Austrian independence. The supreme council threatened to extend the area held by the Allied armies in Germany unless the articles were annulled or modified within two weeks.

Allies May Administer Fiume.

Milan, Italy, Sept. 5.—The interallied commission sent to Fiume to investigate the territorial claims of the Italians and Jugo-Slavs is about to report and will recommend the appointment of an allied mission to administer the affairs of the city, the Italian newspaper Secolo stated today.

May Occupy Upper Silesia.

London, Sept. 5.—The Berlin press states that the allied troops will occupy Upper Silesia, where fighting has been in progress between the Germans and Poles, said a News Agency dispatch from Berlin today.

WILSON IN ST. LOUIS TODAY; WILL SPEAK THERE TONIGHT

Is Expected to Take Some Action in Impending Steel Strike — City Decorated in His Honor

St. Louis, Sept. 5.—The city streets are crowded and the majority of the buildings are decorated in honor of the president. It was expected that the president would take some action in the impending strike in the steel industry before leaving St. Louis.

It was stated by the president at his luncheon speech this afternoon that he would elaborate tonight on his declaration of last night that the opponents of the treaty of Versailles should either suggest a real substitute or cease their opposition. The president was the guest of honor at a luncheon attended by 2,000.

President and Mrs. Wilson spent a pleasant day in St. Louis. Partisanship was forgotten and Republicans and Democrats united in the welcome.

J. B. Judd of Ravenwood is a Maryville business visitor today.

THEY RE-ENLIST TO GET BACK TO THEIR FORMER BUDDIES

The Old Call Lures Two Marines Who Had Served in the Far East and in France

New York, Sept. 5.—Just to meet once more the "buddies" with whom they served four years ago in China, John C. Smith of Corey, Mich., and Kinzie McGrew re-enlisted today in the marine corps.

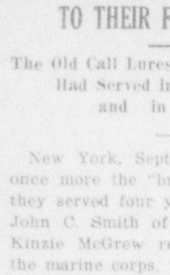
Smith and McGrew wandered into the Twenty-third street recruiting station because they were lonesome and "wanted to chew the fat" with a few old-timers. After a long talk about old times in the Far East and in France, McGrew said, "I didn't come here to do it, but I'd ship right now if I could be with the old Pekin crowd again." "Me, too," said Smith.

"Those men are all in San Domingo now," replied the recruiting sergeant.

So both men re-enlisted to be with the chums they met on the other side of the Pacific.

WOMAN SUFFERED 12 YEARS

Finally Made Well by Taking Lydia E. Pinkham's Vegetable Compound.



Emmitsburg, Md.—"I suffered for twelve or fifteen years, and was treated by a physician, but got little relief. I saw an advertisement of Lydia E. Pinkham's Vegetable Compound in my newspaper, so thought I would try it, and it did me more good than all the doctor's medicine. I am a farmer's wife and do my housework all the time, and I am better now than I have been for years. I am never without Lydia E. Pinkham's Vegetable Compound in the house and have recommended it to several of my friends. You are perfectly welcome to publish my letter for the good it may do other women."—Mrs. ETTIE WARREN, Emmitsburg, Md.

Backache and nervousness are symptoms or nature's warnings, which indicate a functional disturbance or an unhealthy condition which often develops into a more serious ailment.

Women in this condition should not continue to drag along without help, but profit by Mrs. Warren's experience, and try this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound—and for special advice write to Lydia E. Pinkham Med. Co., Lynn, Mass.

ST. JOSEPH DISTRICT BAPTISTS PLAN MEETING AT STANBERRY

Part of Nodaway County Said to Be Included—Dates September 15 to 18, Inclusive

The St. Joseph Baptist Association, comprising Baptist churches from the city of St. Joseph and Buchanan county, and from sections of Andrew, Nodaway, Gentry, DeKalb, Clinton and Platte counties, will hold its forty-ninth annual meeting at the First Baptist church, Stanberry, Mo., Monday, September 15, to Wednesday, September 18, 1919.

J. Carleton Wetterhahn, the pastor of the entertaining church at Stanberry, reports that indications point to a record-breaking crowd, and that the church is fully prepared to welcome all who come and to provide entertainment free for all visiting delegates.

E. B. Newcombe, St. Joseph, is moderator of the association, and the following tentative program has been announced:

Monday evening—Deacons' and ministers' conference; speakers, Deacons G. C. Sparks, Savannah, Mo., and W. H. Griffith, St. Joseph; Rev. W. G. Ball, King City, Mo., and A. D. Cooper, St. Joseph. Sermon by Rev. S. C. Williamson, pastor, Copeland Baptist church, St. Joseph.

Tuesday morning — Church letters and greetings, election of officers, women's work, and introductory sermon by Rev. W. H. Williams, pastor First Baptist church, St. Joseph, Mo.

Tuesday afternoon—Our State Work by district secretary, A. J. Thames of Kansas City. Other items to be arranged.

Tuesday evening—Christian education—sermon by Dr. J. P. Greene, president William Jewell College of Liberty, Mo.

Wednesday morning — Baptist 175 Million Dollar Drive discussed by Rev. W. H. Williams, and missionary sermon by Rev. Russell F. Judson, pastor Baptist church, King City, Mo.

Wednesday afternoon — Devotional led by G. T. Prewitt. Business discussions to be arranged by committee on order of business.

Wednesday evening — Sermon by Rev. A. D. Cooper, pastor Wyatt Park Baptist church, St. Joseph.

All these sessions are open to the public and visitors are cordially invited.

One of the biggest items of interest on the program will be the part this association will have in the united campaign of North American Baptists to raise 175 million dollars during the next five years for purposes outside the local expenses of the churches.

Polish Premier Visits Paris.

Paris, Sept. 5.—Premier Paderwski of Poland arrived in Paris unexpectedly and declares that a serious situation has developed in the East as a result of the massing of German troop in Upper Silesia.

900 FORMER SERVICE MEN GET ST. LOUIS JOBS IN WEEK

Total of 17,685 Have Been Employed Since Dec. 16 Out of 21,500 Who Have Applied

St. Louis Sept. 5.—During the week ending August 23 employment was found for 900 former service men through the demobilization bureau here, according to Martin J. Walsh, director. In the same period, 1,027 men were registered. Positions were secured for 978, and 929 were referred to employers.

Since the organization of the bureau last December 16, a total of 21,500 men have registered, 21,749 positions have been open, 20,491 cases have been referred to employers, and 17,685 men have obtained employment.

Wals his urging that the employers of the city will give the bureau a chance to fill their demands for men. He says there is lack of co-operation and that the former service men are suffering as a result.

St. Louis to Have Balloon Race.

St. Louis, Sept. 5. — Six balloons, three representing the army and three the navy, will start from this city September 26 in an air race for the service championship of the United States. A silver trophy will be presented to the winner by the Missouri Aeronautical Reserve Corps. Preparations for the race are in the hands of Major Albert Bond Lambert. The names of the pilots wil be announced soon.

Wheat Smut Treatment Wins.

W. W. Thompson of Clinton county threshed his wheat in July. It was grown in a field that was badly infested with smut last year. The seed from that crop was sown for this year's harvest, first treating it as recommended by the University of Missouri College of Agriculture. The crop this year was practically free from smut. Only two or three smut balls could be found in a wagon load of threshed wheat.

MARYVILLE WORK MENTIONED IN STATE EPISCOPAL SURVEY

$10,000 Estimated for Building and Clergymen to Serve Students at Teachers College

Kanss City, Sept. 5.—Work among groups ranging from the negro industrial workers of Kansas City to the frequenters of the health resort at Excelsior Springs is contemplated in the diocesan survey of the Episcopal diocese of West Missouri just completed. Bishop Sidney C. Partridge and the Rev. Benjamin M. Washburn of Kansas City, chairman of the diocesan survey committee and of the the nation-wide campaign committee, have forwarded this survey to the national headquarters of the Nation-Wide Campaign which the Episcopal church has launched to bring the whole power and resources of the church to bear on its problems and needs for intensifying and expanding its work at home and abroad.

The survey asks for $30,000 for the establishment of a social service plant, church and community house in Kansas City, among the 15,000 negroes who are engaged in industrial pursuits. A negro clergyman who has had social service experience among his people is also requested.

Bishop Partridge includes a request for $25,000 for missionary work among the polyglot industrial workers of South St. Joseph. A clergyman who is a trained social worker, also, is needed there. The bishop urges that the diocese be supplied aid looking toward a new church at Excelsior Springs, with a clergyman who can do high class work among the cosmopolitan types who flock there. The sum of $12,000 is asked for the new enterprise at the springs.

At Maryville, the seat of the State Teachers College, $10,000 is needed to construct a building and pay the salary of a clergyman who can give adequate spiritual guidance of the youth of the Episcopal faith studying there. The parish already has the ground. At Warrensburg, where another Teachers College is located, a clergyman and rectory are needed. The expense wil be the same as at Maryville.

Other projects included in the survey are: A community house in Sedalia where the men employed in the railroad shops can find healthful recreation and moral and spiritual influence of the right sort; a social hall for Grace church, Brookfield, a community house for Grace Church, Carthage, and a community house for All Saints' Church, Nevada, where the parish already owns the lot.

CAR WYOMING COAL JUST ARRIVED. WM. EVERHART. 4-6

If you feel bad; if you are "blue," tired and discouraged, without apparent reason, you need Prickly Ash Bitters, the system purifier. It restores action in the torpid liver, cleanses the stomach, helps digestion, dirves out gas and fermented matter in the bowels, and brings back that fine feeling of strength, vim and cheerfulness which only men in perfect health enjoy. Price $1.25 per bottle.

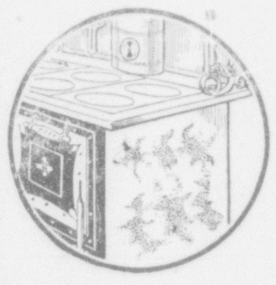
Why Does a Range Rust Out From the Inside?

BECAUSE THE INSIDE OF THE RANGE BODY LIES FLAT AGAINST THE SWEATY ASBESTOS



MOISTURE RUSTS IRON.

Any kind of iron and every kind of steel rusts unless protected from moisture.

With one exception—all malleable ranges are of three-ply construction. The outer casing or main range body, then a layer of asbestos—then an inner lining o firon. The outer casing and inner lining are flat against the asbestos. Asbestos is a substance that absorbs moisture from the air. No matter how hot it becomes it will be full of moisture within thirty minutes after being removed from the heat.

When you build a fire the heat drives the moisture to the other side of the asbestos on to the cold range body. There it condenses or sweats on the cold iron until the heat dries it up. Rust begins with the first fire and is fed by this sweating condition every time the range is fired up. The rust is on the inside. You don't know—you never suspect it until it rusts through. Then it is too late.

In the Copper-Clad Range the asbestos is clad with a sheet of copper which never rusts. The sweat never gets to the iron body. It can't rust out.

"WIPES CLEAN LIKE A DISH."

Thousands of women have said that about the Copper-Clad Range. You will say it the first time you wipe off a Copper-Clad because it as smooth as a dish. There are no fussy ornaments to dig around. No rivet and bolt heads to blacken. No hinges, catches or latches for the dirt to hide behind. These are all inside out of sight and out of the way.

Social, Clubs Churches

There Are Some.

Two little boys were overheard recently discussing their respective schools. "My teacher is a war bride," boasted the older one.

The little one thought a minute. Then a look of relief spread over his face. "That's nothing," he retorted. "Ours is a civil war veteran."—Henryetta Oklahoma Standard.

Welcome Home Party.

The young ladies of St. Patrick's church have issued invitaitons to a welcome party for the returned service men of the church to be given next Tuesday night in Forrester's hall.

Kensington for Sister.

Mrs. W. A. Burris entertained with a Kensington this afternoon, the affair being complimentary to her sister, Mrs. W. L. Madden of Grand Island, Neb., who, with Mr. Madden, has ben spending two weeks here with relatives.

First Anniversary.

Mr. and Mrs. Lawrence Ogden gave a 6 o'clock dinner last evening at their home south of Maryville, the occasion being their first wedding anniversary. Covers were laid for Mr. and Mrs. Eugene Ogden, Mr. and Mrs. J. F. Montgomery, Mr and Mrs. Bruce Montgomery and daughter Jean, Mr. and Mrs. W. J. Montgomery, Mrs. Joie Thomas of La Harpe, Kan., Homer Ogden and the host and hostess.

Carter-Gibb.

Mrs. Myrtle Carter, who has been making her home in Tarkio for some time, and Alfred Gibb of that place gave their friends quite a surprise Sunday when they went to St. Joseph and were married. The ceremony was performed by Rev. John W. Love, pastor of the Wyatt Park Christian church and a former pastor of the church here. Mr. and Mrs. Gibb came to Burlington Junction Monday and visited until Tuesday at the home of Mrs. Gibb's parents, Mr. and Mrs. W. E. Nicholas. They will make their home in Tarkio.—Burlington Junction Post.

Miss Evans Hostess.

The last meeting of the conference year of the Woman's Foreign Missionary Society of the First M. E church was held yesterday afternoon at the home of Miss Mary Q. Evans. Fifteen members and one visitor, Mrs. Gus DeLana of El Reno, Okla., were in attendance. Mrs. Isaac Coler, Mrs. George Moore and Mrs. Sarah Crosby gave talks on the subject of the afternoon relative to the outlook for the coming year.

Sturmh Dinner Guests.

Mr. and Mrs. N. Sturm entertained at dinner this noon in honor of their house guests, Mr. and Mrs. John Seider of Belle Plain, Minn., and Mrs. Susie Schumacher of Chicago. Others present were Mr. and Mrs. Conrad Yehle, Mrs. Cleav Funk and little son, Billy, Miss Clara Sturm and Mayme Grems.

Campbell-Hamilton Wedding.

The marriage of Miss Anna Beatrice Campbell, daughter of Mr. and Mrs. J. R. Campbell, living six miles northwest of Elmo, to Arthur C. Hamilton took place at 8 o'clock last night at the home of the bride's parents. The Rev. B. H. Smallwood, pastor of the South Methodist church in Elmo, officiated in the presence of relatives an da few friends of the bridal couple. The bride was attired in a dress sent from the Phillippines, a gift from her cousin, Claude C. Russell, a civil engineer in the employ of the government and formerly a captain in the U. S. army. The couple will make their home on a farm near Elmo. Mr. and Mrs. D. R. Baker and daughter, Miss Helen Baker, of Maryville were guests at the wedding.

For Returned Soldiers.

Misses Kate and Theresa Yehle will entertain a small coterie of friends informally this evening for five Maryville young men who have recently returned from service. Their guests will include Miss Anna Blatter, Miss Mary Gram, Miss Hilda Kern, Miss Hilda Lahr, and Louis Gram, Tony, Bert and Will Blatter, Al Kireh, and Ralph Yehle.

Finds Unexpected Sometimes Happens.

"I suffered for 10 years with stomach trouble and doctored away a lot of money before I found a medicine that was a real benefit to me. Since taking one dose of Mayr's Wonderful Remedy 14 weeks ago, I have had more real joy of living than I had in 10 years before." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.

CHARLES B. ZARN, WELL-KNOWN B. J. BUSINESS MAN, RETIRES

Twenty-six Years in Firm There—Gives Failing Health as Reason For Quitting Work

Charles B. Zarn, president of the Zarn Mercantile Company of Burlington Junction, one of the better-known merchants of Nodaway county, has been compelled to give up active business on account of failing health, says the Burlington Junction Post.

Twenty-six years ago Mr. Zarn came to Burlington Junction from St. Joseph and with his brother, Richard Zarn, and his uncle, R. Jacquemin, engaged in the general mercantile business at the same location where the store is today. The firm of Jacquemin & Zarn Bros. continued the business for about fourteen years, when Mr. Zarn bought his partners' interest.

Several years ago the store was incorporated and the clerks who wished it were allowed stock in the company. By this method Mr. Zarn developed a sales force that is second to none in the country. The business has increased rapidly, occupying over 12,000 feet of floor space.

"Why your shoes are more beautiful than ever"—This expression is often heard in our shoe department from patrons who are looking over the ne wfall models. And this is a fact, shoes were never so distinguished for dainty simplicity and trim, neat fitting styles as this fall.

The fashionable colors in kid and calf leathers are here in boot styles to meet the needs of every woman. Styles for walking or for real service wear and those for dressier occasions. The simple charm of the new models is in true harmony with the season's fashions. You will find real satisfaction in their service and sensible prices.

Many models to choose from, at the pair ..... $4.50 to $13.50

Also a complete line of childrens and misses school and dressy models at very reasonable prices.

Experts or Theorists—Which?

The packing industry is intricate, complex—far more so than the railroads or the telegraph.

Every day multiplying needs of society increase its problems and multiplying responsibilities demand more of it.

Highly trained experts, specialists of years' experience, thinkers and creative men, devote their lives, their energies, their activities, to solving the problems of the packing industry and meeting its widening duties.

Swift & Company is not a few dozen packing plants, a few hundred branch houses, a few thousand refrigerator cars, and a few million dollars of capital, but an organization of such men. It is the experience, intelligence, initiative and activity which operates this physical equipment.

Can this intelligence, this experience, this initiative and creative effort which handles this business at a profit of only a fraction of a cent per pound from all sources, be fostered through the intervention of political theorists, however pure their purposes? Or be replaced by legislation? Does Congress really think that it can?

Let us send you a Swift "Dollar". It will interest you. Address Swift & Company, Union Stock Yards, Chicago, Ill.

This years crop consists of 50 acres wheat, 35 acres oats, 25 acres corn, 60 acres clover and timothy, balance blue grass pasture. Will sell 160 acres or whole farm together.

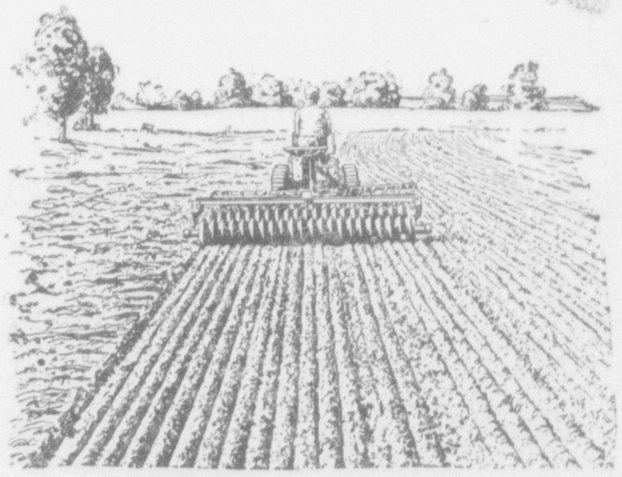
See owner on farm for price and terms.

I. N. GARTIN,
Darlington, Missouri

The All-Purpose Tractor

The usefulness of a tractor that "just plows" is very limited. If a tractor will haul a disc, spring or tooth harrow, draw a seeder, do your hoying and ahrvesting and furnish a power plant for farm work—If it will do these things and others, in addition to plowing, its value is much greater—it is a better investment because it will yield bigger returns on the investment. If it is substantially built of strong standard parts and will outwear a cheaper tractor, it is a much better investment.

The Cleveland Tractor



or as it is now known THE CLETRAC TANK-TYPE TRACTOR embodies all these very points. Their engineers had these very points in mind when designing the CLETRAC. The caterpillar tread principal that was so successfully used in the war on the tanks is being commercialized on this tractor.

In fact the CLETRAC embodies all the modern and practical features that a successful tractor should have. Note these brief specifications:

Motor: Four cylinder, 3¾ in. bore by 5½ in. stroke. Protected overhead valves. Removable cylinder head.

Horsepower: 12 at draw bar, 20 at belt pulley.

Length, 96 in.; width, 50 in.; height, 52 in.; weight 3300 pounds; turning circle, 12 ft.; track, length (each side) 50 in., width 6⅝ in.; traction surface, more than 600 square in.; center to center of tracks, 38 in.; clearance, 12 in.; belt pulley, diameter 8 in.; face 6 in.; suspension three-point.

Price $1650 Delivered at Maryville

Come in and let us explain more fully how this tractor will aid you in your farm work. You can see it at Diss & Irby garage.

WOULDN'T TAKE A FORTUNE FOR IT

All Her Friends Came to See What Tanlac Did for Mrs. Lynch

"I wouldn't take a fortune for the good Tanlac has done for me," said Mrs. A. F. Lynch, of 164 Central St., Galesburg, Ill., recently.

"I suffered from stomach trouble for about five years," she continued, "and hadn't been able to eat a regular meal for several years and during this time I suffered awfully with cramps, dizzy spells and terrible throbbing headaches. I was often troubled with gas on my stomach that bloated me up so I could hardly breathe. I also suffered with my kidneys and was so constipated that my condition alarmed me at times, for I just didn't seem to be able to get any relief from this trouble. I was never free from a dull, aching pain across the small of my back and got so weak and rundown that I was laid up for as much as a week at a time.

"Tanlac has done me a wonderful amount o. good; I eat three meals a day now and am never troubled with indigestion, bloating or headaches. My kidneys don't worry me and I am not constipated now. My condition has improved so I can do all my housework I am perfectly well in every way and people who have heard about my recovery come to see if all they hear is true, and it don't take me long to convince them of the facts."

"Tanlac is sold in Maryville by Koch Pharmacy, in Conception Junction by A. M. Colly, in Pickering by H. M. Lincoln, in Burlington Junction by Carter Pharmacy, in Barnard by Bear Drug Co., in Elmo by King Drug Co., in Clearmont by Dr. W. H. Wiley, in Ravenwood by C. A. Shunk, in Arkoe by Rufus R. Smith, and in Hopkins by Hopkins Drug Co." ADV.

Kansas City Visitors Leave.

Ed Eversole and son, John Edward, of Kansas City, who have been guests for a few days of the former's uncle and wife, Mr. and Mrs. D. R. Eversole, and other relatives, left this afternoon. Mr. Eversole is associated with the John Taylor Dry Goods Company in Kansas City.

Mrs. Hooker Home.

Mr. and Mrs. Hal Hooker returned Wednesday morning from Rochester, Minn., where Mrs. Hooker recently underwent an operation for goitre at the Mayo hospital. She withstood the operation nicely and is rapidly recovering.

Two apartments in each building, each separate and apart from the other, consisting of living room, dining room, kitchen and two bed rooms, sleeping porch, bath room, pantry, three closets, together with private locker and laundry privileges in basement which goes out on level in rear. Hot and cold water circulation when furnaces are in use and laundry stoves for summer. Each are equipped with electric and gas lights as well as gas accomodations for cooking when wanted, refrigerators and other conveniences, with each apartment, in fact as modern as brains and money can make them, gas plant, fine well and double garage in connection. $20,000 would not place the plant today, $14,000 buys it.

No. 2

First class modern 7 room house, 2 blocks from public square, $5500 part cash and terms.

No. 3

Four room cottage, Cellar wood house, abundant water. Only $1000.

No. 4

Seven room brick dwelling, furnace, bath, well and city water. A dandy home worth $3500. $2500 buys it.

No. 5

Dwelling—Seven large rooms, three porches all good as new, outside cellar, barn, chicken house, one-fourth block of ground, splendid water, situated on paved street, retail store in same block and bakery across the street. It would cost $5000 to place this property today. For immediate sale $2500.

No. 6

A suburban home of five large rooms, outside cellar, well, cistern, and City water, barn and chicken house. Here pigs and chickens will not bother neighbors. Pick it up at $1400.

No. 7

An elegant new home, eight rooms, basement, store room, fuel room, furnace and laundry room. Closets to suit the most fastideous. In short strictly modern. Large garage and barn combined, best neighborhood, $5000.

No. 8

An ideal modern 8 room house, 2 blocks from court house, $6500.

No. 9

Southeast quarter block one, original town of Maryville. Just ripe for a business proposition, $3000.

No. 10

That cozy six room home 424 East 6th St., Maryville. New and modern except bath tub to be installed yet, well worth $3000 as it stands on paved street, sewerage and all assessments paid. $2500 and its yours.

No. 11

Brick metal roof, plate glass front business house, one story and basement. Building 25 x 120 feet, basement opens out on level in rear, one-third of ground floor decked for office and additional room; one of the best business houses in Elmo, Mo. Now occupied as a hardware store. Would cost $6000 to put it there today, $2500 will satisfy me.

H. C. L.----and clothes

THE high cost of living, as it is affected by clothes, is not so much in the price you pay as in the clothes.

If they don't wear well; don't give you good service; they're expensive clothes at any price. You can reduce the H. C. of L. by being very particular what you get for what you spend.

Get all-wool fabrics and high-class tailoring; nothing else wear so well. Get good styles, appearance is economy. You'll get all these if you find our label.

Priced at $30.00 to $60.00.

Hart Schaffner & Marx

Other extra good values just received this morning to sell at $20 and $30. Waist line or plain business suit models. Call and see them.
